Subject: Excelsior

Hi Nancy,

As we discussed briefly Friday, please send Excelsior (and ADEQ) a short list of the key topics that we expect to discuss tomorrow. I'm thinking 3-5 of the top issues at most. Also, if you have an opportunity to speak with Marybeth today, that would be helpful (to know exactly where they stand with their APP review and to give her a heads-up of our perspective on the key issues).

Thanks.
